A798 & A799 POS Printers Certified with CAP Software

LINCOLNSHIRE, IL – February 13, 2009 – CognitiveTPG announces that the company's A798 & A799 Point of Sale receipt printers are now certified to work with the CAP Retail Manager Software.

CAP Software develops leading POS products for small to medium retailers in many verticals, including home and hardware, gift stores, auto parts and accessories, and more.

"At CAP, we value strong vendor partners that share the same goals. In the case of CognitiveTPG we quickly understood after rigorous testing the reliability of the A798 and A799 receipt printers," Will Atkinson, President of CAP Software.

The A798 & A799 are the latest line of receipt printers from CognitiveTPG with built-in high speed performance, small footprint, liquid damn construction, and easy drop and load design.

"The A798/A799 & CAP Software is a winning combination, offering robust functionality, guaranteed reliability, and low total cost of ownership," said Kevin O'Donnell, Director of Channel sales for CognitiveTPG. "We look forward to a mutually beneficially partnership with CAP Software."
